Department: PW - Public Works

Description:

This contract provides for the material production of crushed screenings and crushed surface top course for Lewis County's maintenance and 3R program. This program is listed on Lewis County's previously adopted 2019-2024 Six-Year Transportation Improvement Program. This material purchase will allow Lewis County crews to complete the planned maintenance and 3R program work on various county roads.

Rock material will be purchased under Fund 506 (Pits & Quarries) and will be charged to the appropriate County Road Project Number, Special Maintenance Number, or Reimbursable Work Number as needed for the various construction/maintenance activity.

A Call for Bids was made on October 28, 2019. The project was advertised in The Chronicle October 29 and November 15, 2019 and The Daily Journal of Commerce, Seattle October 30, 2019. The project was also listed on Lewis County's website. The award is divided by item numbers in 3 different categories. Good Crushing, Inc. provided the most advantageous bid of \$264,481.91 including sales tax.

Resolution approval will award Item Nos. 1, 3, and 4 to Good Crushing, Inc. for a total of \$264,481.91 including sales tax upon presentation of a contract acceptable to Lewis County, for the 2020 Rock Proposal and authorizes the Director of Public Works to sign the same. This award is recommended based on the Engineer's analysis of the price per ton of the product from the bidders together with the cost for Lewis County to haul the product from the individual pit site to each stockpile site. The most advantageous cost to the County was selected for recommendation to award.
